WHO WE ARE

JATCORP Ltd (JAT) is a rapidly growing Australian manufacturer of innovative and unique dairy- and plant-based health products and supplements. JAT is also an experienced Australia-Asia FMCG trade specialist. Current export markets include China, Hong Kong, Korea, Vietnam, Taiwan and New Zealand.

We are accelerating towards the goal of becoming one of the leading manufacturers and suppliers in Asia-Pacific.

Our Vision

Supporting the healthier lives of the wider population globally and connecting with them as a trusted dairy, health and wellness company.

Our Mission

Our mission of "Supporting the well-being of every family member." is to deliver more optimal nutritional health food solutions to a wider range of consumers and support more families' healthy lives by making the health of more consumers our responsibility, staying innovative, focusing on exploring healthy food, and caring about every step of the product and brand, from production to sales.

Our Values

Responsibility is at the core of our values.

Responsibility for ourselves

All responsibility begins with ensuring a corporate culture of honesty, openness, transparency, and solidarity.

Responsibility for the consumer

We encourage interaction in an atmosphere of mutual trust, reflected in the quality of our brands and products and everything we do.

Responsibility for communities

The diversity of different communities requires us to adapt and adjust our behaviour inclusively and openly.

Responsibility to shareholders

Good corporate governance and creating shareholder value are our responsibilities to shareholders.

KEY FINANCIAL PERFORMANCE

Although our total revenue and gross profit have been challenging due to the pandemic, we have made progress in 2022 as a result of a new management and growth plan. The new management will do its best to deliver greater shareholders value in 2023.

OUR BUSINESS PLAN FOR FY2023

Sharpening our strategic focus

JATCORP's strategic plan aims to consolidate its existing products and brands, promote production, expand sales channels, drive performance growth, enhance industry competitiveness and expand market presence. We are providing shareholders with sustainable returns and creating long-term value for everyone.

Boost our sales

JARCORP signed a new sales agreement with BTNature Pty Ltd in Oct 2022. This is a major boost for JATCORP, with the new exports equivalent to 70 per cent of the company's revenue for the year ended 30 June 2022.

Unlock the Power of Brands

The new board is strengthening brand management for Neurio. By managing the brand's marketing output and enhancing productivity, we are striving to increase the brand's market share in the Asia Pacific market.

Boost Productivity

Following a comprehensive assessment of the ANMA plant's facilities and capacity, the new board is preparing a plan to improve its production capacity and efficiency and cost-control.

Create Shareholders Value

Attaining better financial returns and continually seeking opportunities to optimise capital structure.
